CANCER+ CAREERS

BE THE BOSS OVER CANCER

EDUCATION

NATIONAL & REGIONAL CONFERENCES ON WORK & CANCER

Conferences addressing the complexities of balancing cancer treatment and recovery with employment, featuring experts discussing practical considerations when working through treatment, job re-entry, job search, career change and more.

IN-SERVICE TRAINING FOR HEALTHCARE PROFESSIONALS

These in-depth accredited training sessions equip staff at national cancer hospitals and organizations to better understand and serve patients who must balance employment and a diagnosis.

SPANISH LANGUAGE EVENTS

Virtual and in-person events featuring experts fluent in Spanish who address the challenges of balancing cancer treatment and recovery with employment.

BALANCING WORK & CANCER WEBINARS

Monthly webinars addressing the issues people with a cancer diagnosis face across the work continuum, including job search, working through treatment, disclosure and more.

EMPLOYER SERVICES

Cancer and Careers offers employers customized advisement, facilitated panels, trainings for managers, HR and staff, policy guidance, focus groups and more.

SUPPORT

INTERACTIVE ONLINE TOOLS

From the Career Coaching Center to the personalized Resume Review Service, CAC provides survivors with direct access to experts offering tailored guidance on navigating work during and after treatment.

TECHNOLOGY & FINANCIAL ASSISTANCE

These grant programs offer laptops and financial support towards bills, skill development or training and more.

COMMUNITY EVENTS

Events and speaking engagements in English and Spanish addressing the unique challenges of cancer in the workplace.

INFORMATION

CANCERANDCAREERS.ORG & CANCERANDCAREERS.ORG/ESPANOL

An interactive website with articles, a blog, an events calendar, a resource directory, a collective diary, videos, downloadable tools, and a newsfeed with recent posts and research on all issues related to work and cancer.

PUBLICATIONS

Cancer and Careers' library of materials includes English and Spanish versions of our *Living and Working with Cancer Workbook, Job Search Toolkit, Most Important Resources for Working People with Cancer, Survival Guide to Cancer on a Shoestring, Survival Guide to Balancing Remote Work and Cancer, Survival Guide to Communicating Effectively, Survival Guide to Virtual Interviewing, Survival Guide to Cancer and Online Privacy* and *On-the-Go Guide* series. Also available in English is our *Manager's Kit.* Publications are distributed free to individuals and cancer organizations nationwide.
